

Our Community

Ma Ma Creek has a strong local community that is driven by the local community centre.

Of note, is the Ma Ma Creek Exhibition - a mini agricultural show held on the last weekend in July each year.

The school is heavily involved in this activity.

We have a well-supported and energetic P&C Association, which contributes much to the school.

Our local high school is Lockyer Districts High School. It is situated in Gatton on William Street. Lockyer District HS website

Ma Ma Creek Village
