Premier’s Reading Challenge
Once again, the Premier has challenged school children to ‘get into reading’. The Challenge started this week and runs until September. Students need to read 20 books during that time. Younger students can ‘experience’ books, by having adults read books to them. The challenge should be easily met by students if they regularly complete their Home Reading. Students will need to let Mr Pearen know when they have completed a book, other than their Home Reading, and it will be recorded in a Reading Log.

Edible Garden
Yesterday our Prep - Year 2 students joined Mr Clark in planting a large number of vege and herb seedlings. These seedlings were kindly donated to our school by Pohlman’s Nursery as part of the “Edible Gardens” competition being conducted by Lockyer Valley Landcare for the Gatton Show.
We would like to thank Mr and Mrs Hyland who came along for the morning and helped the students with their planting. Your assistance is very much appreciated.

Students of the Week
Chase and Bernie were the proud recipients of this week’s Student of the Week awards.

05 Aug Regional Business Meeting (Toowoomba)
Gatton Show Opening
Our students have been invited to sing the National Anthem at the official opening of the Gatton Show.
This is a great opportunity for us to showcase our school and I would expect all of our students to attend this event.
The official opening is on the Friday night of the show (19th July) at 6:00pm. We would ask that the students be at the main gate by 5:30pm in preparation for this event.

Chappie’s Corner
The games we play
Last week whilst shopping at a department store in Toowoomba I came across some games packed in “retro” packaging. These games really were retro! They took me back to my own days at school and family events.
One of the packs I picked up was “elastics” – some of you may have seen them or even played them. I know when I was at primary school it was all the rage. To my embarrassment though I had to look up instructions online because I just couldn’t remember how it was played. Fortunately the instructions brought some of those memories flooding back.... My husband loves to tell me about the games of footy that he and his mates played; funnily enough that was what my son loved about school too!
Do you have memories like that tucked into the back of your mind? What were your favourite games at school?

Why don’t you tell your kids about them, they would love to hear about the games you used to play? It makes you more real as a person!
If you want to email me and let me know about some cool games – I would love that!

Queensland Week 1–9 June
Queensland Week will be celebrated from 1st – 9th June. All students are encouraged to show some Queensland pride and learn some interesting facts about our state. Do you know what the state flower is? Or the state bird, animal, colour or gemstone?
With Queensland Day observed on Thursday 6 June, here’s hoping the Maroons kick start the celebration with a big win in the first State of Origin on Wednesday night. Hint: you might know the state colour now.
